Meeting of the Administrative Board, S.E.Region, ACPE

Our Administrative Board met at Hickory Knob State Park on March 6, 2011. Chairperson James Taylor called us to order, and we had good discussions about happenings within the ACPE, Inc. with Bill Baugh, our representative on the ACPE Board of Reps.

We received a report from the Annual Conference Committee regarding our continuing education program being planned for the fall meeting at the Hyatt Regency in Greenville, SC. We received financial reports for the year ending 31 Dec 2010 and the months ending 28 Feb 2011.

We established the reimbursement for standing committee members expenses to be the same as in 2010 (i.e., \$.50 per mile or airfare whichever is cheaper, the cost of lodging or one half for single occupancy, and actual cost of meals).

We reviewed papers written by Jap Keith, and we instructed that they be posted on the regional website.

We noted the early date for the ACPE Annual Conference in 2012, and we instructed accreditation and certification to make adjustments for their meetings within the bounds of the budgets adopted by the region.

We reaffirmed the job description for the Regional Director, and confirmed his perspective that fund raising was not an expectation of his work for this region.

Keith's papers that can be downloaded from the seracpe.org website are: *An Historical Perspective on the Position of the Regional Director in the Association for Clinical Pastoral Education* and *Mission Statements of the Association for CPE, Inc.*

You may want to look at Keith's perspectives about the *Mission Statements* because there will be a conversation over lunch during the ACPE Members Meeting in Salt Lake regarding the accepting and/or editing of the present mission and values statements of the ACPE.

The next Members Meeting of the Southeast Region will be in Salt Lake City on April 7 at 4 p.m.
